Lyme Disease Awareness Walk

C/O Jessica Platanitis

PO Box 581

Wells, ME 04090

Dear Friends:

We would like to present you with a special low cost opportunity for you and/or your company to support a worthwhile organization and increase your visibility in our community. We are offering you the opportunity to support the Lyme Disease Awareness Walk that will take place on September 15, 2007 (rain date September 22, 2007) at Wells Beach in Wells, Maine.

The walk is being done by Jessica Platanitis, Helena Ackerson and Brittany Muchemore and all the proceeds will be given to the beneficiary; The Lyme Disease Association, for their work with Lyme disease research and education (see [www.LymeDiseaseAssociation.org](http://www.LymeDiseaseAssociation.org)). We are passionate about this cause and raising awareness of the affects of Lyme disease on people throughout Maine.

As you may know, Lyme disease is a growing problem here in Maine. Lyme disease is one of the most commonly reported infectious diseases in Maine, with an average of more than 200 cases reported annually from 2002 to 2004. (<http://www.maine.gov/dhhs/boh>)

Raising awareness about Lyme disease in Maine is key to help Maine people better understand what can be a very debilitating disease as well as to help prevent the spread of Lyme disease.

A limited number of sponsorships are available. We encourage interested sponsors to sign up as soon as possible. You may sign up by mailing the completed form to the following address:
